

### **REMARKS**

In a Notice of Non-Compliant Amendment mailed December 12, 2011, Applicants were notified that the amendment to the claims filed December 29, 2010 was non-compliant.

In the Amendment and Response filed on December 29, 2010, Claim 102 was amended to correct the formula (IV) by replacement of squared brackets with arcs, and Claims 104 and 107 were amended to correct informalities, as suggested by the Examiner in the Office Action mailed on June 29, 2010. Claim 116 was amended to be in independent form, and to incorporate features of the rejected base claim. In addition, the claims status identifiers were modified to reflect the status of claims 117-150, 152-156 and 158-160 as being withdrawn.

In this paper, Applicants provide a replacement Listing of the Claims marked to show the amendments recited above. In addition to the amendments recited above, withdrawn claims 117 and 152 are amended in the same manner as Claim 102, to replace square brackets with arcs.

No fees are believed to be due in connection with this amendment.
